

# GBENGA DANIEL IBIKUNLE

Ikeja, Lagos | +234(803)-658-0132 | otingbemiga@gmail.com |

<https://otingbemiga-portfolio.netlify.app>

## Summary:

A results-driven Full Stack Developer with a proven track record of building and delivering scalable, high-performing web applications, including banking systems, sports blogs, and task management platforms. Experienced in training developers across the UK, USA, Canada, and Nigeria, with proficiency in frontend and backend technologies like JavaScript, React, and Django. Known for solving complex problems and delivering user-centric solutions that align with business goals, I bring a collaborative mindset and attention to detail to drive product success and innovation. Eager to contribute to a forward-thinking organization to create impactful, scalable digital solutions.

## Skills:

- ✓ **Programming Languages:** HTML5, CSS3, JavaScript (ES6+), Python
- ✓ **Frontend Frameworks:** React.js, Next.js
- ✓ **Backend Frameworks:** Django
- ✓ **UI/UX Tools:** Tailwind CSS, Material-UI
- ✓ **State Management:** Context API, Redux Toolkit
- ✓ **Database Management:** MySQL, Firebase, Appwrite, Payload CMS
- ✓ **API Development:** RESTful APIs
- ✓ **Testing Tools:** React Testing Library
- ✓ **Version Control & Deployment:** Git, GitHub, Vercel, Netlify
- ✓ **Responsive Design:** Cross-browser compatibility, Mobile-first design

## Experience:

### Frontend Developer | MoneyX (Nigeria) | Remote

April 2025 – Present

- Developed and maintained scalable web applications using **Next.js**, **TypeScript**, and **JavaScript**.
- Translated high-fidelity **Figma** UI/UX designs into responsive, pixel-perfect frontends.
- Integrated headless CMS content via **PayloadCMS** to deliver dynamic content-driven pages.
- Utilized **Docker** for local development, testing, and deployment across environments.
- Collaborated with designers and backend engineers to optimize performance and ensure smooth API integration.
- Focused on writing clean, maintainable code and implementing best practices in modern frontend architecture.

### Frontend Developer | TechNova Solutions (Australia) | Remote

September 2023 – 2025

- Developed user-centric web applications using React.js, improving page load time by **25%** and user experience by **30%**.

- Collaborated with cross-functional teams to deliver scalable features aligned with client requirements and deadlines.
- Implemented responsive design strategies, increasing mobile engagement by **20%**.
- Migrated legacy code to modern React solutions, enhancing code maintainability and reducing bugs by **40%**.
- Integrated state management tools like Redux and Context API for efficient data handling.
- Enhanced component reusability and scalability, reducing development time by **15%**.
- Conducted code reviews and mentored junior developers, improving team productivity.
- Collaborated with QA teams to implement automated testing, achieving 98% test coverage.
- Participated in Agile methodologies to ensure on-time delivery.

## **Software Development Intern | Tech365 | Lagos, Nigeria**

*January 2021 – May 2023*

- Trained over 80 students in frontend and backend development using HTML5, CSS3, JavaScript, React.js, Python, and Django.
- Designed interactive learning modules, achieving a 90% student success rate in tech roles and internships.
- Supported students in building portfolio-ready projects like e-commerce platforms and task management tools.
- Conducted live coding sessions and workshops, enhancing students' understanding of RESTful APIs, Git, and responsive design.
- Collaborated on refactoring software and developing reusable components, improving project delivery timelines by 25%.
- Contributed to building internal training tools, reducing student drop-off rates by 20%.
- Monitored student progress, provided feedback, and facilitated pair-programming exercises.
- Actively participated in Agile team processes, enhancing personal development and team efficiency.

## **Education:**

### **Tech365 - Diploma**

Software Development, November, 2020

### **TheInternTech - Diploma**

Computer Science, January, 2018

### **Obafemi Awolowo University (OAU) - BSc**

Political Science, September, 2014

## **Certifications:**

Google Digital Skills for Africa Certificate 2017
